

KLEIBERIT is a global player in the production and supply of high performance industrial adhesives specializing in the **automotive, filter and sandwich industries** and is currently seeking a

## **Sales Engineer for ASIA**

to join our successful team.

The candidate will be responsible for the development, growth and profitability of the area.

We are seeking a high calibre sales individual, preferably with a qualification in an engineering or science discipline. Above all you will be able to deal with complex technical problems at customer sites and are capable of achieving outstanding sales results with excellent presentation and negotiation skills.

Previous experience in a related market would be distinct advantage. We offer an attractive package commensurate with this position.

If you feel ready to take up this challenge and for further information please contact our personnel department.
