#### AV Group invests in Kleiberit HotCoating line

21 July, 2014

Germany-based surfaces supplier to the furniture and retail industries AV Group has invested in Kleiberit HotCoating Technology for the production of high gloss surfaces.

### LATEST FEATURES

#### Dreams or nightmares?

17 July, 2014

Panel markets hit another rough patch in early 2014. The question is whether this was due to the severe winter weather in parts of North America, or to structural impediments to growth. Bernard Fuller, of Cambridge Forest Products Associates, sets out to answer this question
